

A Prayer for Others

A prayer we say for others is a prayer of intercession.

Complete and pray the prayer below. Write in the correct word to match each symbol and the country where it is shown.

We pray for people in the United States

who need a  home .

We pray for people in India

who need  clothes .

We pray that the people in the Sudan

who need  food will receive it. Amen.

Parents, Catechists, Teachers: Share with your child that many people around the world, including in the United States, go to bed hungry at night. A major theme of Catholic Social Teaching is "Rights and Responsibilities." This means that everyone has a right to food, clothing, shelter, and medicine. We must pray for this to become a reality. We must also do what we can to help it come about.
