

Vocation Choices

At Baptism, we are called to lives of love and service.
We are each called to a special vocation.

Match each vocation shown with its description below.

- religious sister a female member of a religious community
- priest an ordained minister who celebrates liturgy and sacraments
- single an unmarried lay person
- religious brother a male member of a religious community
- married a husband or wife
- deacon an ordained minister, married or single, who assists a local pastor

Do you wonder what vocation God has planned for you?

Create a brief prayer asking God to help you 'grow' into your vocation.

A Vocation Prayer

Parents and Catechists: : God calls each person individually. Through prayer and a willingness to serve, one becomes able to ask, "What does God want me to be?" Pray frequently with your child to help him or her 'grow' into a vocation.
