

Thank you, Rosa Parks!

Rosa Parks

Law

For a long time, there were  s keeping black and white people apart. In the South,

blacks had to stand or ride in the  . One day, in Alabama,

was too tired to go to the back of the bus. She was arrested. Blacks stopped riding

buses. For one year black people  to work or got rides from

white friends. In 1956, this  was changed. Black people could ride anywhere in the

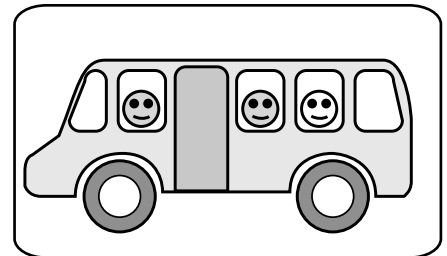

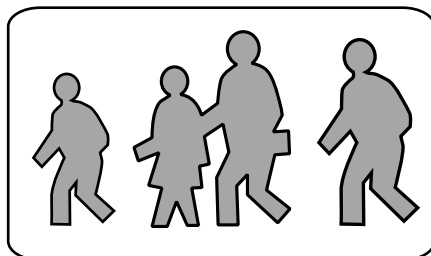

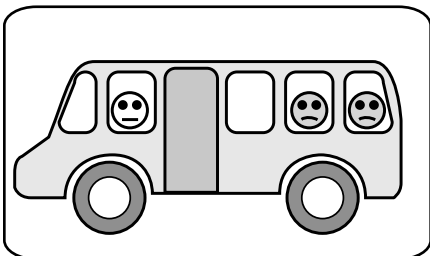

is called the "mother of the civil rights movement."

Thank you,

Cut out the boxes and put them where they belong in the story.
