

St. Josephine Bakhita

Bakhita was kidnapped and enslaved at an early age in Sudan. Her kidnappers named her Bakhita, which means "fortunate." An Italian bought her and took her to Italy. She became a baby-sitter for a family there. With that move, her life did indeed become fortunate.

Bakhita later lived in a convent where she learned about God. She took the name Josephine when she was baptized. Josephine Bakhita became a member of the Daughters of Charity. She was known for her hospitality, humility and desire to make God known to others.
