

PEACE PRAYER FOR ADULTS AN END TO WAR

Lord Jesus, our country is at war.

As the Prince of Peace, help us find ways to return peace - to our world, our nation, our community, and to our own family.

Please watch over those who are serving our country.

Help them to serve with courage and honor.

Bring them safely home to us.

To those who must give their lives for the sake of peace, take them home to be with you.

Remain with us, Lord, throughout these troubled times.

Forgive our mistakes.

Strengthen our resolve for peace.

Amen.
