

Three Commandments

The first three commandments show us ways to love and honor God.

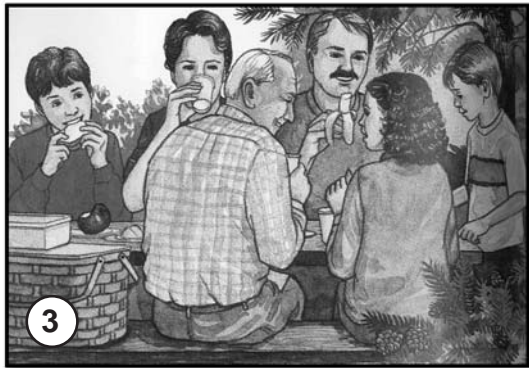

First unscramble all of the words. Then, write the correct word to complete each sentence. For each picture, put the number of the commandment it concerns.

First Commandment

We worship only God.

We remember to pray.

Second Commandment

We use God's name with respect.

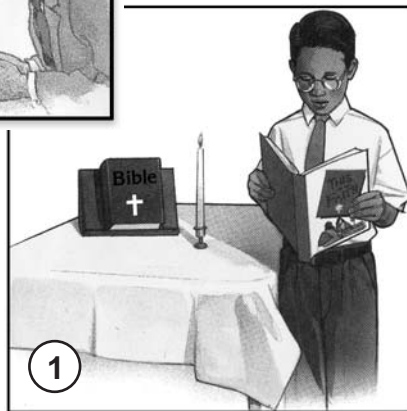

We do not use God's name in an angry way.

Third Commandment

We worship God by celebrating Eucharist.

We spend time with our families on Sunday.

Parents, Catechists, Teachers: Of the Ten Commandments, the first three focus on our relationship with God. Discuss how your family might honor God by worshipping at Mass and by spending some time together instead of working on Sunday.
