OUR PRAYER OF FAITH

We say this prayer at Mass.

The words show what we believe about Jesus.

Cut out the three pictures. Paste them on another sheet of paper in order. Cut out the boxed words. Paste them in the picture that matches.

Parents and Catechists: This memorial acclamation clearly states our beliefs. Note that it tells what we believe happened to Jesus in the past, what is now, and what we expect in the future. The next time you are at Mass together and this acclamation is used, be sure to bring it to your child's attention.
