

Sharing Blessings

Blessings ask for God's gifts for others and for ourselves.

Complete the list of ways to share blessings with others.

The pictures will help you choose words to write in the blanks.

I can
help

someone who
needs it.

I can be
kind

and patient.

I can
care

for plants and
animals.

I can
share

what I have with
others.

I can
ask

God to bless
others.

Parents, Catechists, Teachers: Discuss with your child how this activity shows ways we can bless others by actions as well as words. It is the Holy Spirit who helps us offer blessings and helps us pray for God's blessings on others.
